Please do not hesitate to reach out and consult with our director in selecting the program best suited for your child. We strive to create classroom harmony with a vibrant mix of ages, personalities and interests. We give priority to current children and their siblings, before opening enrollment to the rest of our community. Meeting the priority deadlines of our application process ensures the best possible outcome for the placement of your child.

For new families:

Please include your child/family questionnaire and new student fee (for each child).
