Email Permissions

- We maintain a parent email address listserv, so that we may send weekly updates, news and important information via email. The weekly email includes photos of the children as documentation of their work and play; this is an internal document and not a public one. Please check below if you want to be contacted by email and receive the weekly newsletter.

_____ **I would like to receive communication from school via email.**

- Upon occasion, parents may ask for email listings of other parents to send information or communicate important events. Please check one of the following:

It's ok to share my email address with other parents. Yes _____ **No** _____

Please note that we ask parents not to publicly share photos of a child or children (other than their own) taken on personal devices at school events or on field trips, without the express permission of the parent of said child or children.
